That time works. As I mentioned, CM Blumenfield's motion was only intended to give you whatever Council authority you needed, and not to get in the way of you getting as many of these out as possible.

We have compiled information and sketched out a plan in response to CM Blumenfield's verbal motion on acquiring more mobile hygiene stations in response to the pandemic. Since timing is obviously urgent, we want to run our plan at this juncture, via telephone conference of course, jointly with our two policy committees chairs ECCEJ and H&P, next week Monday 3/23/2020 at 10am, if it works for you

MOTION I HEREBY MOVE that Council AUTHORIZE the Bureau of Sanitation to acquire additional mobile showers, and restrooms, and other critical hygiene facilities to address coronavirus pandemic. PRESENTED BY BOB BLUMENFIELD Councilmember, 3rd District SECONDED BY PAUL KREKORIAN Councilmember, 2nd District March 17, 2020 CF 20-0147
